

FOR STUNT  
ONLY

NOT A GOOD  
MATCH

June 2 2026  
Junk from work.

I finally finished the brush cleaner — the tub was almost empty when I started a year ago.

6 hours drybrushing 6 pairs of the same dirty pants. I always laugh when I remember — the better I am at my job, the less you'll know I did it. I wonder how long the new brush cleaner will last?
